## ACHIEVEMENT

Over the years in the market, **Eagle Eye Security** has actually engaged quite a number of companies to work with us. We are proud to announce that our customers are highly satisfied with the service provided and have continued to subscribe to our services since then.

We specialise in high end condo, commercial building, shopping complex, campus college, high end residents, embassy etc.

We continue to uphold a strong belief in delivering best services to our clients, and we believe that our reputation will attract and retain potential clients.

## FUTURE OF THE COMPANY

**Eagle Eye Security** has a vision that in the future we will expand and will open up more branches nationwide so that we can cover areas like Penang, Johor, Perak and Kelantan.

We want the whole nation to recognize us not only for our services but the quality that sustained us. We want to impart a realization that our company is the only security company that can satisfy their needs.

The uniqueness of our company & products is one of the things that boosted our growth is the fact that we are unique in comparison to our competitors. The first outstanding quality that we never compromise is the personal guard selection.

We ensure that all our security personnel are carefully selected by our management team. Each security officer is recruited from Rela, Ex-Servicemen Association, Perhebat, Jabatan Tenaga Rakyat, and Nepalese Ex-Army for Gurkha Guards.

Before accepting and confirming them into the company, they have to undergo a screening and vetting test as we are very particular with their personal background.

After they have passed the first stage, they have to undergone a short training course in order to be competent in carrying out their duties with full responsibility in accordance to the needs and the specifications of workload as demanded by clients.

By having all this unique qualities, we are truly an outstanding company in every way.

**SECURITY IS  
INVESTMENT**
